<https://reopen.europa.eu>
OR OF THE FEDERAL PUBLIC SERVICE
FOREIGN AFFAIRS
<https://diplomatie.belgium.be>

Request your COVID certificates via the CovidSafe app
or via myhealth.be.

Vaccination
certificate

Recovery
certificate

Test
certificate

Request a payable testcode via myhealth.be. Make an appointment
for a PCR test (via myhealth.be) or a rapid test (via specific pharmacists,
see www.apotheek.be [NL] or www.pharmacie.be [FR])

RETURN TO BELGIUM

FILL IN AND SUBMIT YOUR PLF.
YOU CAN DO THIS FROM 6 MONTHS BEFORE
YOUR ARRIVAL

via the Covidsafe app (click on your most recent vaccine and scroll down)
or via <https://travel.info-coronavirus.be>

YOU DO NOT RECEIVE
A TEXT MESSAGE

YOU RECEIVE
TEXT MESSAGE WITH
A CODE FOR A TEST

Make an appointment for a PCR test
(via myhealth.be) or a rapid test
(via specific pharmacists,
see www.apotheek.be [NL]
or www.pharmacie.be [FR])

TEST RESULT CAN BE OBTAINED VIA MYHEALTH.BE, THE COVIDSAFE APP OR YOU RECEIVE A TEXT MESSAGE

NEGATIVE
(you are not infected)

You can obtain a Test certificate.

POSITIVE
(you are infected)

7 days of isolation. Give your contact details to contact tracing
via myhealth.be. Isolation ends on day 7, on condition
of 3 days without fever and improvement of the symptoms.
After that, remain extra cautious for 3 days: limit the number of
contacts to the strictly necessary. Wear continuously a mask
indoors (preferably FFP2).
